PROFESSIONAL EXPERIENCE

The M-Geough Company, Inc. | Brand Marketing Manager Boston, MA | 12/2021 - 04/2025

- Produced and designed bi-annual digital 100+ page magazines for which I served as Editor, overseeing its production and distribution to over 2,000 clients.
- Managed client outreach through digital and physical mailings, social media, and creative marketing campaigns.
- Supported showroom merchandising and branding by creating and maintaining visual displays with marketing materials and products.
- Managed and maintained the company website, handling all product updates, design, and future development with a focus on delivering a seamless user experience.

Northeastern University, Robotics Institute | Program Manager (hybrid) Boston, MA | 10/2020 - 01/2022

- Reconciled and managed departmental grants and budgets exceeding \$100K, ensuring financial stability and effective resource allocation for the institute.
- Organized, executed, and documented multiple week-long interviews and events, coordinating extensively with a team of core professors and over 30 PhD students to expand the Institute's student base and industry connections.
- Produced infographics, posters, and newsletters on a regular basis to effectively promote and market the Institute's programs and research.

Gateway Arts | Assistant to the Director, Special Projects Coordinator, Graphic Designer and Art Teacher Brookline, MA | 09/2009 - 10/2020

- Developed and launched new art-based retail products, overseeing the entire product lifecycle from initial design concepts and market research to final production. These products became consistent top-sellers at the annual fundraiser for eight consecutive years.
- Managed all retail store activities, including maintaining real-time inventory with POS software, processing online orders, and handling comprehensive opening and closing procedures.
- Designed and produced a wide range of branded materials for Gateway's studios, gallery, and store, including large-format banners, posters, and announcements, ensuring a cohesive look for exhibitions and events.
- Negotiated advantageous pricing with print and media production companies, optimizing costs for new collaborative art projects and recurring product lines.
- Planned events and exhibitions using internal resources, coordinating logistics, and delegating setup and breakdown tasks to staff and student interns to ensure seamless execution.

Boston LGBTQIA Art Alliance (BLAA) | Gallery Director Boston, MA | 01/2013 - 02/2014

- Directed the logistical planning and execution of gallery exhibitions and special events, ensuring seamless operations from concept to completion.
- Designed and executed strategic exhibition layouts, including meticulous artwork hanging and physical space organization, to optimize visual impact and visitor experience.
- Managed all artist communications and meticulously maintained exhibition calendars and timelines to facilitate timely project delivery.

Apple Inc. | Mac Specialist

Cambridge, MA | 02/2009 - 01/2010

- Instructed new users on creating music, editing images for print, web, and email, and developing engaging Keynote presentations and movies.
- Adapted teaching methods and training styles to meet diverse customer learning needs and skill levels.
- Drove sales across the full range of Apple products, including computers, iPhones, software, and Bose accessories.
